
Bossier Parish Community College, LA

Two Year • Fewer than 10,000 Students • Trigsted MyMathLab

A veteran user of MyMathLab, Professor Donna Densmore took the program further for her College Algebra students by adding the *Trigsted's College Algebra* textbook in January 2009 and implementing Trigsted MyMathLab in spring 2010. As a result of the revised course—in which all assignments are completed in Trigsted MyMathLab, video assignments are prerequisites to homework, and students complete a larger quantity of smaller assignments—both student engagement and success have increased. “Those students who put in the time and effort usually complete the course with a grade of C or better,” says Densmore.
