Ambition/Career Goal: Psychology

In my free time... I love spending time with family and friends.

What (or who) motivates and inspires you to graduate from college? My three sons and my fiancé give me all the encouragement I need.

How did using MyITLab help you succeed in your course?

I needed computer features taught to me from the beginning.

What is the number one benefit of using MyITLab?

It's helping me learn what I need in order to achieve my career of choice.

How do you think your success from using MyITLab will affect your college experience/future career?

I believe it will help me all the way through college. MyITLab has taught me a great deal of material since the first day I logged on.
